INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with Applicants' duty of disclosure, the enclosed information is submitted to the United States Patent and Trademark Office in connection with the above-identified application. The information is identified on the attached PTO Form-1449.

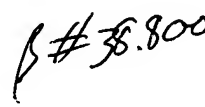

This application relies, under 35 U.S.C. §120, on the earlier filing date of prior U.S. Application Serial Nos. 09/490,154 filed on January 24, 2000 and 08/730,208 filed on October 15, 1996. The references identified on the attached Form PTO 1449 were submitted to and/or cited by the Patent and Trademark Office in these prior applications and, therefore, copies are not required to be provided in this application. See 37 C.F.R. Section 1.98(d).

Applicant does not waive any right to take appropriate action to establish patentability over the listed documents should they be applied as references against the claims of the present application.

GEORGE V. KINAL ET AL. (Divisional of U.S. Serial No. 09/490,154)

It is respectfully requested that the Examiner fully consider each of the documents, initial the enclosed Form PTO-1449 in the appropriate place to indicate that the document has been considered, and return a copy of the initialed form to the undersigned in accordance with MPEP Section 609.

Respectfully submitted,

By: 
for Joseph M. Potenza
Registration No. 28,175
